

California Financial Literacy Month Resource Fair

California Department of Business Oversight

Wednesday, April 2, 2014
11:00 a.m. – 1:00 p.m.
State Capitol – North Lawn

Empowering Californians to Achieve Financial Wellness

The information fair will highlight the 14th annual California Financial Literacy Month and bring together state and federal agencies and financial literacy organizations. This coordinated consumer education campaign encourages individuals throughout the state to take full advantage of free resources designed to improve financial literacy.

Information and resources that help consumers manage money, credit, investments, and debt and learn to prevent identity theft, protect their privacy, and avoid financial scams and fraud.
